Dear Sir:

This paper is in response to the Final Office Action dated June 28, 2006 in connection with the above-identified application, the response to which is due October 28, 2006 with a Petition and fee for a one-month extension of time. **On October 25, 2006, the extension fee has been applied to our deposit account No. 502290.**

The PDF version of the Response to the Office Action that was efiled on October 25, 2006 contained a page (page 3 showing end of claim 1 through claims 10) that was shifted when the response was scanned.

Per telephone conversation with Angelic of USPTO's Eelectronic Business Center on October 30, 2006 and per her instruction, we have enclosed the Amendment to the Final Office Action, which we originally efiled on October 25, 2006.

Please note that the original copy (page 3) of the Response has been faxed to the Examiner Gillis, Brian J. on October 27, 2006, which is still prior to the deadline of October 28, 2006 for responding to the outstanding Office Action. We believe that no fee is due since this fax is merely in effort to provide a copy of the response.
